End Date: Friday, April 20, 2018 4:00 PM

It is a pleasure to invite you to a funding workshop with Innovate UK HLS will be hosting at Headington Hill Hall on Friday 20 April 2018, 13-16:00 . As a faculty and university alike we are keen to make the very most of our potential to work with industry partners as well as across faculties, to foster existing partnerships and establish new ones. To that end, this visit by Innovate UK will aim to offer:

- An overview of Innovate UK's revamped strategic priorities and available funding opportunities;

- An opportunity to organise one-to-ones with Innovate UK representatives to discuss specific project proposals;

- A marketplace for us to meet with industry partners and engage in a wider discussion of where we are heading and how we, as a Research Office, can help!
