

OBN Christmas Drinks

Start Date: Tuesday, December 19, 2017

6:00 PM

End Date: Tuesday, December 19, 2017 9:00 PM

We are pleased to announce our hugely popular annual Christmas Drinks evening. This year we are hosting the event on 19 December at Nuffield College, a wonderful and historic setting in the heart of Oxford City Centre.

The evening is a great chance to celebrate and mingle with friends and colleagues from throughout the life sciences industry in an informal festive setting. There is no agenda just the chance for OBN to thank its member network for their continued support and to celebrate the successes from another great year.

More details to follow....
