The first "Biotechgate Digital Partnering" event in May was beyond expectations and on the basis of a lot of very positive feedback and requests to continue, a second Biotechgate Digital Partnering from August 31st to September 3rd based on the same concept as the first edition has been scheduled.

Event outline:

4 days partnering Monday, August 31st to Thursday, 3rd of September across all time zones (22 hours) free "Premium access" to all Biotechgate partner members and Biotechgate subscribers (over 4,000 companies) free "Basic access" with a limited number of meetings/requests to all non-member companies. Upgrade to "Premium" access possible for them at USD 195.
