

UK Life Sciences Reception during JPM2026

Invitation

The UK Department for Business and Trade and Office for Life Sciences, in partnership with the BioIndustry Association (BIA), invite you to join us for an exclusive reception to network with our UK delegation and businesses during the 2026 J.P. Morgan Healthcare week in San Francisco.

Join the UK delegation, BIA, and business for an evening of networking to stimulate new collaborations with the UK's vibrant life sciences and health research ecosystem.

Did you know?

- The UK attracted 40% of all biotech venture capital financing across Europe in 2024.
- The UK is the first country to achieve 0% tariffs on pharmaceutical exports to the US, with preferential terms for medtech, via a landmark deal with the US.
- Grant funding is available for firms investing in UK manufacturing or transformational R&D.
- We are making regulation, clinical trials, and market entry faster and more streamlined, and will be investing around 25% more in innovative medicines.
- We are simplifying access to globally-unique data and resources to accelerate biomedical innovation and health research.
